

IMAGINE EDMONDS

7135 Walker Ave | 7244 Arcola St

A NEIGHBOURHOOD REDEVELOPMENT PROJECT

Contributing to the **flourishing** of the Edmonds neighbourhood through...

Affordable Housing

Offering a range of housing options to help individuals and families remain in the neighbourhood.

Arts Centre

Fostering the creative potential of diverse people groups through music, visual arts, and classrooms for leadership training.

Neighbourhood HUB

(Help Us Belong)
Building a sense of community through shared experiences such as meals, ownership in a local food pantry, meeting spaces, and more.

Support Network

Bringing together organizations dedicated to social justice, support and health care to foster neighbourhood restoration.

THE PROJECT

Imagine Edmonds is a restorative initiative that seeks the **flourishing** of the neighbourhood and all who live there by meeting their physical, emotional, social, and spiritual needs.

THE PEOPLE

The Neighbourhood Church has been actively engaged in Edmonds for 30 years. Being in, for and with the neighbourhood, the church continues to seek peace and prosperity for all who live there.

THE PLAN

A church is not a building. It is people who care for the neighbourhood.

The plan is to build Affordable Housing, an Arts Centre, a Community HUB, and a Support Network on the current site of The Neighbourhood Church and surrounding property, in order to seek the flourishing of Edmonds.

Current outreach activities for the well-being of the neighbourhood will continue, and new programs and opportunities will be created.

SUBJECT PROPERTY

**With an increase in partners and funding, the scope of the project could expand.*

Join the Project!

GIVE

Financial donations cover pre-development costs and increase housing and community space.

INVEST

Short-term, low-interest loans reduce borrowing costs and increase neighbourhood impact.

SHARE

Share your opinion with us and share the vision with others who care for Edmonds.
